

Work **ON** Your Biz Workshop

by White Rabbit Group

“The ‘Work *ON* Your Biz Workshop’ opened my eyes to several of our company’s needs and injected ideas within our management team to move forward.”

— Wayne Hansen, President
Control Installations of Iowa, Inc.

Start improving your organization’s performance today!

You can expect

- A high-energy workshop that engages you to discover new insights about your organization
- Powerful leadership tools to quickly assess your organization’s performance and reveal issues that are holding you back
- Important dialogue among your leaders results in shared understanding of the action needed to improve performance

Who should attend

Business owners, managers and leaders who are stuck working the day-to-day tactics and are ready to take back control of the business.

Work *ON* Your Biz Workshop Preview

This highly interactive workshop provides your leadership team with a framework to take a fresh look at your organization. White Rabbit Group guides you to assess your organization’s performance using two powerful diagnostic tools:

Customer Experience Continuum

- Analyze how customers experience your organization
- Learn the four categories of customer experience
- Assess your organization’s performance

Three Forces of Business

- View your organization from a new angle
- See how the three forces of business affect your company’s performance
- Learn how to focus their power to produce remarkable results

Your investment

This two-hour workshop is conducted exclusively for your leadership team for only \$699, plus reasonable travel expenses if applicable.
